Education

Hampshire College (2016)

B.A. in Film and Video Production

Kingswood Oxford (2012)

High School Diploma

Work

Hampshire College Media Alumni Fellow (2017)

I was the primary resource for faculty and students of all skill levels needing media production assistance. I designed and constructed a 4K broadcast TV studio with a cyclorama green screen, upgraded 4 advanced media labs, and managed 3D printing/scanning facilities. I also lectured and held workshops in color grading, and video editing.

Teaching (2013 - 2017)

I was a regular guest instructor for a film course at Amherst College in 2016, a Teaching Assistant for 3 film courses at Hampshire College, and an assistant instructor for 2 years with the Creative Media Institute. I also created and taught a full semester video production course to 12 college students while attending Hampshire.

Straight Ahead Pictures (2016 - 2017)

I was head of digital marketing, designed a website, and shot video for an upcoming PBS American Masters film.

Journalism (2012 - 2015)

I worked as a staff writer and photography editor for *The Climax*, a print and web newspaper.

For 2 years I was an on-air host and producer for some of Hampshire College's most popular radio shows.

San Francisco Frozen Film Festival (2014)

I was in charge of promotional videos, social media marketing, fundraising, projection, selection, and curation of films.

Film and Technical

Since 2007, I've designed websites and produced over 100 videos for clients including: PBS, Yale University, Global Fibrosis Foundation, Cambridge University Press, and many more. I am highly skilled in the following roles:
